**TRI-CONTINENTAL CORPORATION
HOLDS 87th ANNUAL MEETING OF STOCKHOLDERS**

MINNEAPOLIS, MN, April 19, 2017 – Tri-Continental Corporation (the “Corporation”) (NYSE: **TY**) today held its 87th Annual Meeting of Stockholders (the “Meeting”) in Minneapolis, Minnesota. Stockholders voted in accordance with the recommendations of the Corporation’s Board of Directors (the “Board”) on each of the two proposals at the Meeting.

Stockholders elected three Directors at the Meeting. Mses. Patricia M. Flynn and Catherine James Paglia and Mr. William A. Hawkins were each elected as Director for a term that will expire at the Corporation’s 2020 Annual Meeting of Stockholders. It is anticipated that Mr. Hawkins, pursuant to the Board’s current retirement policy, will retire at the end of 2017. Stockholders also ratified the Board’s selection of PricewaterhouseCoopers LLP as the Corporation’s independent registered public accounting firm for 2017.

The Corporation is managed by Columbia Management Investment Advisers, LLC. This material is distributed by Columbia Management Investment Distributors, Inc., member FINRA.

You should consider the investment objectives, risks, charges, and expenses of the Corporation carefully before investing. A prospectus containing information about the Corporation (including its investment objectives, risks, charges, expenses, and other information) may be obtained by contacting your financial advisor or Columbia Management Investment Services Corp. at 800-345-6611 or visiting www.columbiathreadneedleus.com. The prospectus can also be found on the Securities and Exchange Commission’s EDGAR database. The prospectus should be read carefully before investing in the Corporation. There is no guarantee that the Corporation’s investment goals/objectives will be met or that distributions will be made, and you could lose money.

The net asset value of the Corporation’s shares may not always correspond to their market price. Shares of closed-end funds frequently trade at a discount from their net asset value. The Corporation’s share price may be adversely affected if the market value of its portfolio securities falls, fails to rise, or fluctuates due to factors affecting a single issuer, sector of the economy, industry or the market as a whole.
