

COLUMBIA FUNDS FOREIGN ACCOUNT POLICY

Foreign Accounts:

The Columbia Funds and Columbia Acorn Funds do not accept new account applications for account owners with an address outside the 50 United States, the District of Columbia and the following territories: Puerto Rico, Guam and the U.S. Virgin Islands (regardless of U.S. citizenship).

Existing Foreign Accounts:

Existing shareholder accounts with registered addresses outside of the United States, the District of Columbia or the territories listed above, are limited to redemption transactions only. These existing shareholders are no longer permitted to:

- Purchase additional shares directly or through an automated investment plan.
- Exchange or transfer shares to new or existing accounts unless the address of the receiving account is in the United States or its territories.

Shareholders with a valid U.S. Taxpayer Identification Number who maintain an address outside the United States or its territories, and later change their address to one within the United States or its territories, will have account restrictions related to their former foreign address removed following the Columbia Funds and Columbia Acorn Funds receipt of all necessary documentation evidencing a current residential address in the United States or its territories.
