Part 3 Beneficiary Designation

Please read this information before completing this section. The total percentage for the primary beneficiary and contingent beneficiary (if applicable) designations must equal 100%. If no percentage allocations are provided, each primary beneficiary and/or contingent beneficiary (if applicable) will be divided equally. Please note, items marked with an asterisk are required to establish your beneficiary designation. You may wish to consult with a tax, legal or financial advisor before designating or modifying your beneficiary(ies) for your account.

All beneficiary designations will be per capita. Per capita means, the assets designated to a beneficiary will be divided equally among the remaining beneficiaries of the same status (primary or contingent) in the event he/she pre-deceases you. Per stirpes is not a permissible beneficiary designation.

- I hereby designate the following beneficiary(ies) to receive any assets remaining in my account upon my death, based on the percentage allocations provided below.
- If there is no designated primary beneficiary(ies) living at the time of my death, any remaining assets in my accounts shall be distributed to the surviving contingent beneficiary(ies), if applicable.
- If no primary or contingent beneficiary designation is in effect at the time of my death, or if all primary or contingent beneficiary(ies) have pre-deceased me, then my beneficiary shall be my estate.
- I reserve the right to change my beneficiary designation by filing an updated designation with the Service Agent, which will supersede any prior designation(s).
- If an attachment is required to complete this beneficiary designation, such attachment will contain the date, account number(s), required beneficiary information, and all appropriate signatures.
